

WHO'S ON BOARD FOR MORE CRUISE DAYS?

Most of you, it turns out! That's right! When we were building our 2025 vacations, we learned that the vast majority of you want to have an opportunity to book a longer cruise. So, this year, we have unveiled 16 NEW, longer cruise itineraries and city-stay combinations (in places like Lucerne, Nice & Prague) to meet your interests!

MORE VALUE

On a longer, European cruise getaway, you can get the most mileage out of your long-haul travel (and your air costs).

MORE TIME

From overnight stays in the ports you love to more free time, a longer itinerary is less jam-packed for on-your-own discoveries.

LESS "GO, GO, GO!"

When you set sail on a slower, longer cruise, you can enjoy more "down" time too on our Suite Ships, if that's what floats your boat.

TIME TO TEST THE THEORY THAT "LIFE IS BETTER ON A BOAT!"

Here are 8 of our new, longer cruise itineraries to consider.
