

Partner with Quark Expeditions

The Leader in Polar Adventures

THE LEADER IN POLAR ADVENTURES

WHAT DO WE DO?

We only do Polar. As specialists who focus exclusively on the Arctic and Antarctic, we're able to create unforgettable polar experiences of a lifetime for our guests, generating goose-bump moments and connections with nature.

HOW WE DIFFER FROM THE REST?

Explore alongside the most seasoned polar experts on Earth.

When you venture into the polar wilderness, you need a great team around you. And we have the greatest. Our elite guides are trained at Quark Academy—which surpasses every standard imaginable for safety and preparedness in the Polar Regions.

Venture far beyond the ordinary

Quark Expeditions goes where others simply can't. Where there's a will, there's a way—whether it's by kayak, Zodiac boat, helicopter, mountain bike or stand-up paddleboarding.

We go to the ends of the earth to chart new adventures.

We've been pioneering new types of expeditions into the Polar Regions for over 30 years now. We not only offer the most itineraries and the most off-ship adventure options, but the most varied as well.

Set foot where few ever will and do what few ever dream.

Every voyage starts on a ship, but the real adventure happens off-ship. Get set to camp, kayak, mountain bike, helicopter to remote locations, paddleboard in ocean waters or hike the remote tundra.

Join the greatest fleet on the frozen seas.

You're only as good as where your ships can take you. Our diverse fleet of small polar vessels can take you to places where larger ships can't navigate. And our fleet of quick-deploy Zodiacs lets us make landfall where others are not able.

Good explorers respect their environment. Great ones protect it.

The beauty of the Arctic and Antarctic should be appreciated and preserved by all. Our Polar Promise is a comprehensive sustainability plan which includes key initiatives like reducing emissions and reusing or recycling 100% of waste.

Discover Earth's hidden beauty with a team dedicated to polar exploration

Our expedition team are true polar experts. We understand these unique, otherworldly domains like few others can.

THE BEST FLEET IN THE INDUSTRY

Quark Expeditions' guests have a wide range of choices in terms of capacity (138-199 passengers), price points (\$8,000 to \$40,000+), cabins (solo to triple occupancy, in various categories) and style of vessel. For example, your guests can choose a ship whose personality most resonates with them, whether it's the newest addition to our fleet, the modern, elegant *Ocean Explorer* purpose-built for polar exploration, the beautifully-designed *World Explorer* with its world-class spa, or our technologically-advanced *Ultramarine*, which is equipped with two twin-engine helicopters, 20 quick-deploy Zodiacs, and the largest portfolio of off-ship adventure activities in the industry.
