

Don't Try *This* at Home

At Windstar, our guests love our casual onboard atmosphere and friendly crew, but they're just as excited about our award-winning experiences on land.

Whether you're touring a cava vineyard outside Barcelona, seeing Bora Bora by helicopter, spotting howler monkeys in Costa Rica or creating your own personal itinerary with a local guide, our shore excursions are anything but ordinary.

Think small groups (often just 6 to 10 guests), memorable experiences, cultural immersion and zero stress. There's no need to worry about logistics or missing the ship — our local experts handpick each tour to keep you safe, on time and immersed, so you can enjoy a memorable adventure on and off your yacht.
